Internship Announcement – Fall 2021

Antelope Island State Park

State of Utah / Department of Natural Resources / Division of Parks

Internship Opportunities:

#### **Program Development & Implementation:**

Individuals will be responsible for developing interpretive programs / talks and delivering them to the public.

**Special Event Coordinator:** This individual will be responsible for the organizing the 2021 Bison Roundup Exposition. This will involve collaboration with community partners and other volunteers. Excellent organization skills is a must.

#### **Podcast Development:**

This individual will be tasked with recording and publishing a bi-weekly podcast. The episodes will be brief (10-15 minutes) and will supplement the radio station the park currently uses to deliver information to park visitors about events and current conditions.

To apply, please send a cover letter and project proposal to [tackley@utah.gov](mailto:tackley@utah.gov). Please call (801) 721-9569 or email with any questions.
