

Sustainable Packaging Intern Summer 2020

INTERNSHIP TITLE: Sustainable Packaging Intern

SUPERVISOR TITLE: CPO/Chief Product Officer

INTERNSHIP LOCATION: Salt Lake City, Utah

Gnarly Nutrition

Salt Lake City, Utah - A company that inspires individuals to reach their true potential. Building sports nutrition that is clean, effective, and great-tasting is only a portion of how we help our people reach their potential. Gnarly focuses on building a culture that inspires consumers to “want more, do more and be more.”

Sustainable Packaging Intern

Gnarly Nutrition is seeking a **Sustainable Packaging Intern** for Summer 2020. This internship will provide a unique opportunity to work directly with Product Development designing sustainable packaging solutions. This is a flexible position with a minimum requirement of 20 hours a week located in Salt Lake City, Utah. This is a great opportunity to get hands-on experience managing a sustainable packaging project with a local company focused on improving the sustainability of our current product line packaging.

Minimum Requirements

- 20-25 Hours/week over 6 weeks
- Weekly 1 on 1 with Project Manager
- Final Presentation of Proposed Solutions and Cost Analysis to Gnarly Team

Key Responsibilities

- Conduct basic research on sustainable packaging technologies in the food and supplement industry.
- Assure focus on sustainable packaging throughout the product life cycle.
- Conduct a cost analysis on proposed solutions relative to current product packaging.
- Interact with Product Development, Marketing, and Technical associates on various packaging sustainability options.
- Poll Gnarly consumer base on packaging sustainability options and share insights with the organization.
- Deliver new and revised packaging concepts focusing on innovation, sustainability, functionality, and value

HOW TO APPLY - Send cover letter, resume and contact information (phone and email) for three references to:

Shannon O'Grady, Ph.D.
